Dear friends,

The Lawrence Jewish Community is comprised of members and friends both far and near. At this time of year, we look forward to hearing from each of you! The LJCC High Holy Day celebrations will recognize the extent and interconnectedness of our community by publishing a holiday greetings edition of the newsletter. The Greetings newsletter will provide an opportunity for you to express New Year's wishes to distant friends and the community as a whole. Your contribution can range from a listing of your name with a simple "L'shanah tovah!" to a longer personal message.

Please use the form below to place your greeting. Be sure we receive your message no later than **Thursday, September 15** to assure it is printed and distributed in time for the holidays.

We look forward to hearing from you!
